

**Do I have to respond to the 2010 Census?**

Yes, your participation in the 2010 Census is vital and required by law--Title 13 of the United States Code requires your response. Title 13 also requires that the Census Bureau keep respondents' answers confidential and use them only for tabulations that do not reveal any personal data about individuals or households. By being counted, you help ensure that your community receives its fair share of political representation and government funding. The census form will only take about 10 minutes to complete.

**What do I do if I lost, misplaced or didn't receive a questionnaire?**
